## ***A VERY HEARTY WELCOME TO OUR NEWEST BOARD MEMBERS!***

I would like to take this opportunity to thank the three members who stepped up and volunteered to accept appointments as Directors of Mountain Valley Association! Thank you, Michael Ochoa, David Payne, and Roger Smith for being willing to give your time to manage the affairs of MVA!

With the appointment of three new Board members, we were able to attain a quorum and continue the Board meeting on August 13, 2022.

We are still one Director short of a full Board and with my upcoming resignation, we will need another member to step up. Without a full Board it can be difficult to attain a quorum since no business can be conducted unless at least three Directors are present.

The new Board will be holding a workshop at a Special Meeting on August 27, 2022, at 10:30 AM to discuss the operation of the Association, past, present, and future and to allow the new members to become familiar with Association rules, bylaws and declarations as well as some of the laws rules and regulations that pertain to our Association. All members are welcome to attend this workshop. Since this intent of this workshop is to give the new Board members an opportunity to become familiar with the governance of the Association prior to our next Regular meeting on September 10, 2022, I ask that any public comment be kept as brief as possible.

Sincerely,

Randy Hardenbrook, President
